

BRANDON SCHOOL DIVISION

École secondaire Neelin High School

To Whom It May Concern,

I am happy to write this letter of recommendation for Cameron Beaupré, who completed his final student teaching placement with me at Neelin High School.

Cameron took over my Gr. 12 physics class demonstrating an exceptional depth of knowledge, paired with a genuine passion for the subject. His excitement was obvious in his teaching helping to engage students in complex material. He was able to present content clearly and confidently, making challenging concepts accessible to his class.

Cameron demonstrated very effective classroom management skills during his placement. He maintained a structured and respectful learning environment while building positive relationships with students. He connected well with the class and built positive relationships with individual students. His use of questioning techniques and vertical surfaces engaged the entire class. Cameron made a point of greeting each student at the door to start class showing his commitment to fostering the relationship.

Cameron conducted himself in a professional manner everyday during this placement. He was well-prepared for class. Cameron was very receptive to feedback and coaching demonstrating his commitment to improving as a teacher. Cameron also participated meaningfully to the school community, taking part in the Dungeons & Dragons Club and Spirit Week, which helped to foster relationships with students outside the classroom.

He also attended and contributed thoughtfully during parent-teacher interviews, communicating clearly and respectfully with families about student progress.

Cameron is a strong teacher candidate with the skills, knowledge, and attitude needed to succeed. I would highly recommend Cameron for any teaching position in your school.

If you require any additional information, please feel free to contact me.

Sincerely,

Cale Dunbar
